Career and technical education courses will be classified uniformly statewide as either postsecondary vocational or postsecondary adult vocational using the following definitions:

1. Postsecondary vocational program: Vocational education for which credit is given toward an associate degree. Such programs shall include certificate programs which award credit that can be applied toward an associate degree.
2. Postsecondary adult vocational program: Vocational education which cannot be used to earn credit toward an associate or higher degree, unless it is transferred through a Board of Trustee approved articulation agreement.
