1. Complete a State College of Florida admission application on-line at https://app.applyyourself.com/AYApplicantLogin/fl_ApplicantConnectLogin.asp?id=scf. If previously or currently enrolled at State College of Florida (SCF), you must be academically and administratively in good standing and complete a change of major form http://scf.edu/content/PDF/student_services/educational_records/ChangeofMajor.pdf

Admission to the Bachelor of Applied Sciences in Energy Technology Management will include:
- A 2.0 GPA on a scale of 4.0
- Completion of at least 45 semester hours. Included in this must be ENC 1101 and MAT 1033 (or a course at that same or higher level).

2. Submit the Forms:
   - CAPP/Degree Audit from your ‘SCF Connect’ account (instructions are at the bottom of page).
   - Completed BAS Energy Technology Management program application

Return the completed application along with your SCF unofficial transcript (by mail, fax, or in person) to:
State College of Florida, Manatee-Sarasota
Mara Casado/Dr. Amy Santos
BAS-ETM Program Co-Directors
P. O. Box 1849
Bradenton, FL 34207
Fax: 941.727.6019

Energy Technology Management program has limited enrollment. Completion of all or part of the courses required for the degree does not guarantee acceptance into the desired program.

3. Continue to take the additional general academic requirements:
   - Complete A.A. general education requirements.
   - Foreign Language - Completion of the Foreign Language requirement is needed for the awarding of the Bachelor of Applied Science in Energy Technology Management degree.

CAPP/Degree Audit (Click by Click Directions)
1. Go to www.scf.edu
2. Click on ‘SCF Connect’ – top right corner of page

12. Click ‘continue’
13. First Major – choose ‘BAS, Energy Technology Mngmt’ and Department: None’
14. Click ‘submit’
15. Click ‘Generate Request’
16. Print the results and submit with program- application
BAS Energy Technology Management Program
Frequently Asked Questions

Q What is my first step?
A Complete a State College of Florida admission application online (if you have not done this already) at https://app.applyyourself.com/AYApplicantLogin/fl_ApplicantConnectLogin.asp?id=scf.

Q I am a current SCF student. Do I need to apply online?
A No. You must complete the online program/major changes form and submit it. The form is located at http://scf.edu/content/PDF/student_services/educational_records/ChangeofMajor.pdf.

Q How will I know if you’ve received my program application?
A Once your program application is processed you will receive an email on your SCF student email account with additional information. Check your SCF email account throughout the semester for additional information and program updates.

Q How will I know if I’ve been accepted to the Bachelor of Applied Science in Energy Technology Management program?
A You will receive an email, on your student email account, informing you of your admission status. This email will also relate to you additional specific instructions regarding orientation and registration.

Q I still have courses left to complete my associate degree. Can I still apply?
A Yes, your program application will be considered as long as you have completed at least 45 semester hours. Included in this must be ENC 1101 and MAT 1033 (or a course at that same or higher level).

Q I'm waiting for my official transcript to be evaluated – can I still apply?
A No. It typically takes at least 30 days for the SCF educational record to process official transcripts once they are received. You will need to plan accordingly.

Q I’ve submitted my official transcript, but I’m having problems printing a CAPP/Degree Audit, none of my courses appear. What should I do?
A If you previously attended SCF, you will be able to print a CAPP/Degree Audit. The CAPP/Degree Audit may not be complete until ALL official transcripts from other colleges/universities are processed by the SCF Educational Record’s office. Plan ahead as this can take up to 30 days.

Q What are the application deadlines?
A Students wishing to be considered for specified admissions term need to observe the following application deadline:

<table>
<thead>
<tr>
<th>Admission Term</th>
<th>Deadline Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Summer</td>
<td>April 1</td>
</tr>
<tr>
<td>Fall</td>
<td>July 1</td>
</tr>
<tr>
<td>Spring</td>
<td>November 1</td>
</tr>
</tbody>
</table>

Students who apply after the above dates will be considered on a space available basis, but only after all of the official transcripts have been received. Allow three weeks after official transcripts have been received to process the program application.
State College of Florida
BAS Energy Technology Management Program Application

**Directions:** Attach CAPP/Degree Audit to this form. Applications will not be considered without it. You will need to order all official transcripts to be sent directly to: Educational Records, State College of Florida, 5840 26th St. W., Bradenton, FL 34207.

Note: You must apply to State College of Florida online prior to completing this application.
