*The Art History pathway aims to gather courses relevant to the study of art from multiple perspectives. Students may wish to focus their studies on specific regions and enroll in EUH 1000 Western Civilization to 1600, for instance, for their Social/Behavioral Science credit. In addition to the academic lecture courses, there are four studio courses built into the degree pathway with the intent to give the historian experience using the mediums they are studying. SCF has courses in drawing, painting, ceramics, sculpture, photography, graphic design and film, to name a few.*

*Students must meet the foreign language requirement of having completed two sequential foreign language courses in high school or at the postsecondary level (8 semester hours). Foreign language requirement has not been built into A.A. transfer pathway and will be additional requirement, if needed, prior to completion of Associate of Arts degree.*

*Students with questions pertaining to Art History are encouraged to contact the department of Art, Design, and Humanities.*

*Please check with the transfer University of your choice by the third semester at SCF for any prerequisites they may require.*
