Within Humanities, students will receive a diverse education in the culture of the world. The course load is writing-heavy and built upon critical analysis. This pathway is designed for those students looking to pursue a career as an educator, researcher, writer or any other range of high academic careers. The pathway is designed to be customized to fit students' needs. Those interested in Religion, for example, may substitute courses to find a more focused approach to their studies.

Students must meet the foreign language requirement of having completed two sequential foreign language courses in high school or at the postsecondary level (8 semester hours). Foreign language requirement has not been built into A.A. transfer pathway and will be additional requirement, if needed, prior to completion of Associate of Arts degree.

Students with questions pertaining to Humanities are encouraged to contact the department of Art, Design & Humanities.

Please check with the transfer University of your choice by the third semester at SCF for any prerequisites they may require.
