

**Associate of Arts Degree
Transfer Pathway
Photography**

The following is a recommended sequence of courses for completing this Associate of Arts degree and transfer to a university. Developmental courses and prerequisite courses may not all be listed on the pathway below. Developmental courses and prerequisite course requirements, credit load and/or course availability may affect a student's individual progress. The pathway below is specifically intended for full-time students who begin their course work with the Fall semester. Students should always consult their online degree planner for the catalog year that they entered the college and meet with their Academic Advisor each semester to better understand typical course availability and individual program planning as this plan is subject to change.

Most of the prerequisite courses for the Photography Pathway are taken care of in the first year. The General Education requirements are distributed throughout the four semesters to allow students to begin taking their photography courses in the first semester. Within the second year, students will start to specialize in their chosen area (photography). Within the structure of this pathway, students may substitute certain courses to better fit their educational and professional needs.

Students must meet the foreign language requirement of having completed two sequential foreign language courses in high school or at the postsecondary level (8 semester hours). Foreign language requirement has not been built into A.A. transfer pathway and will be additional requirement, if needed, prior to completion of Associate of Arts degree.

Students with questions pertaining to Photography are encouraged to contact the department of Art, Design, and Humanities.

Please check with the transfer University of your choice by the third semester at SCF for any prerequisites they may require.
