

Degree Pathway – A.S. Occupational Therapy Assistant Program

The following is a recommended sequence of courses for completing this program. Developmental courses and prerequisite courses may not all be listed on the pathway below. Developmental courses and prerequisite course requirements, credit load and/or course availability may affect a student’s individual progress. The pathway below is specifically intended for full-time students who begin their course work with the Fall semester. Students should always consult their online degree planner for the catalog year that they entered the college and meet with their program manager for advising each semester to better understand typical course availability and individual program planning as this plan is subject to change.

Required Courses and Recommended Sequence

Prerequisites

BSC 2085C Anatomy and Physiology I	4 credits
MGF 1106 Topics in Mathematics <i>or</i> MGF 1107 Liberal Arts Mathematics <i>Gen Ed Area II Mathematics</i>	3 credits
PSY 2012 General Psychology	3 credits
Total Credit Hours	10 credits

Must be completed prior to acceptance into OTA Program

Semester One – Fall

BSC 2086C Anatomy and Physiology II	4 credits
DEP 2004 Human Development: Life Span	3 credits
OTH 1001C Introduction to Occupational Therapy	3 credits
