The State College of Florida
Scholarship in Mathematics

All applicants should return the attached application with the following:

1. An official copy of your high school transcripts.
2. A typewritten description of your interests in the study of mathematics and related fields, including:
   a) Future educational and career plans
   b) Current activities or interests which relate to mathematics

Completed application, with supporting documents, should be received by Monday, March 25, 2013. These should be returned to:

Kim Ghiselin
Department of Mathematics
State College of Florida
5840 26th Street West
Bradenton, FL 34207

Please note: All applicants will be required to take an hour long mathematics written examination given on the Bradenton campus on Wednesday, March 27 at 2:00. The exam will be in room 123 of the Mathematics Building (Building 27). Graphing calculators will be allowed (however, TI89 and other calculators with symbolic manipulation capabilities will not be allowed.)
