

**Degree Pathway – A.S.
Paralegal/Legal Assisting [2018] – 2-Year Plan with Summer**

The following is a recommended sequence of courses for completing this program. Developmental courses and prerequisite courses may not all be listed on the pathway below. Developmental courses and prerequisite course requirements, credit load and/or course availability may affect a student’s individual progress. The pathway below is specifically intended for full-time students who begin their course work with the Fall semester. Students should always consult their online degree planner for the catalog year that they entered the college and meet with their program manager for advising each semester to better understand typical course availability and individual program planning as this plan is subject to change.

^ CGS 1000 Computer Information Systems is the prerequisite course to taking CGS 1570 Integrated Business Apps Software. Students with Microsoft Office MOS credentials (must be current) may avoid this prerequisite with permission from the Technology Department Chairperson.

*Beginning with 2022-2023 catalog year, prior to being awarded an associate in science (A.S.) degree, students entering an A.S. program are required to complete at least one core general education course (Category A) in each general education subject area. A grade of "C" or better shall be considered successful completion in all courses that are part of an associate in science (A.S.) degree. Students must complete 15 or more hours from Category A of the five areas listed in the Catalog. Please note ENC 1101 – Written Communication I is a specific course that is designated in *General Education Area I, Communications* and is a requirement of this A.S. program and meets these requirements in this Area.
